

FEATURED FAVORITES

GO THE DISTANCE

Supports stamina, recovery, and muscle repair. Designed for athletes or long days when you need peak performance.

IMMUNITY BOOST

High-dose vitamin C, zinc, and glutathione supercharge your immune system, speed recovery, and strengthen defenses.

ETERNAL YOUTH

Collagen-boosting amino acids, vitamins, and antioxidants brighten skin, strengthen hair and nails, and slow aging.

IV Therapy delivers nutrients and hydration directly into the bloodstream for immediate absorption and use by the body.

Get the perfect mix of fluids, electrolytes, and nutrients that you need to feel your best.

OUR MENU

TOTAL RESTORE

✦ A full-body recharge packed with vitamins, minerals, and amino acids to restore energy, fuel recovery, and leave you revitalized. Your all-around wellness boost.

CLEAR MIND

✦ Sharpen focus, improve memory, and support mental performance. Perfect for busy minds needing clarity and concentration.

BREATHE EASY

✦ Calms airway inflammation, eases sinus pressure, and supports clear breathing — like a deep, cleansing breath for your system.

BURNOUT

✦ For the overworked and overstressed. Restores adrenal balance and cellular energy to fight fatigue at the core.

DETOX

✦ Flush toxins, support your liver, and reset with antioxidants. Feel lighter, clearer, and glowing from the inside out.

AND MANY MORE

✦ Come in and see all the other tailored IV Therapy Options we have created for whatever your body needs most.

I'm always looking for ways to boost my
energy and increase my overall health. I've
been hearing that IV drips can be great for
that, so I just had to try it! It was such an easy
process with no pain.
